

HUS 349 Textbook Information:

You will see that there are no required texts listed for you to purchase/rent for the class, and this is because they are available for you to access, at no cost, via the UMA libraries. You do have the option to download and subsequently print chapters so that you may have a hard copy as well, if you prefer.

Here are the links to the two texts we will be using:

Corey, G. (2010). *Clinical Supervision in the Helping Professions: A Practical Guide*. Wiley. ISBN: 9781556203039. <https://ebookcentral-proquest-com.wv-o-ursus-proxy05.ursus.maine.edu/lib/uma-ebooks/detail.action?docID=1882168>
