

FAST Training Guide

How to Select and Approve Course Materials

Discover how to research, select, and approve textbooks and digital content using FAST.

Adding Textbooks & Digital Content to Your Courses

A white rounded rectangular login form is centered on a blue background. A large yellow arrow points from the left towards the form. At the top of the form is the FAST logo, which consists of a stylized fan icon to the left of the word "FAST" in a bold, blue, sans-serif font. Below the logo, the text "AN ONLINE BOOKSTORE MANAGEMENT TOOL" is written in a smaller, blue, sans-serif font. The form contains two input fields: "Email" and "Password", both with rounded corners and a thin grey border. Below these fields is a radio button followed by the text "Remember me" and a vertical line, then the text "Forgot password?" in blue. At the bottom of the form is a yellow rounded rectangular button with the text "Sign In" in black.
