

Visit andersonuniversity.ecampus.com and select **Login/Sign Up** in the upper-right corner.

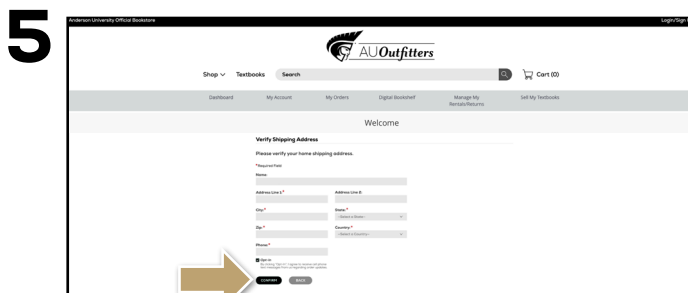

Select **Sign In via Your Anderson Account**. You will be redirected to sign in using your Anderson University credentials.

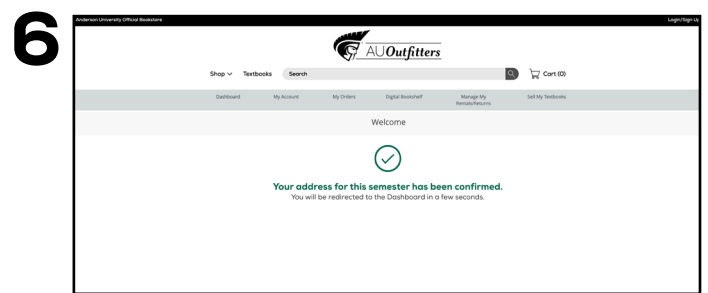

From the student dashboard, select your **term**. Select **Address Verification** in red to verify your address. If you do not see the Address Verification button, no action is required.

For the most secure delivery option, we recommend shipping course materials to AU Outfitters. Select **Ship to Campus Store** to have your materials delivered to AU Outfitters.

If you selected Ship to Home in the previous step, enter your home address and select **Confirm** to verify your address.

After verifying your address, you will receive a confirmation screen indicating you have completed address verification.
