How to Verify *Your Address*

1

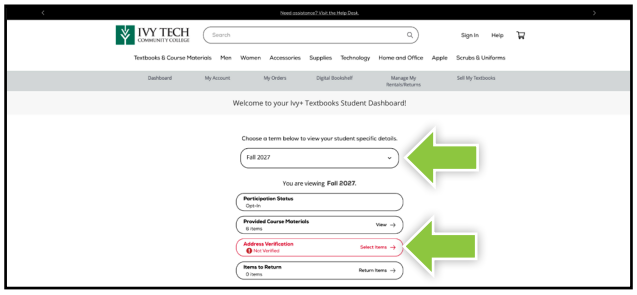

Visit **ivytech.ecampus.com** and select **Sign In** in the upper-right corner.

2

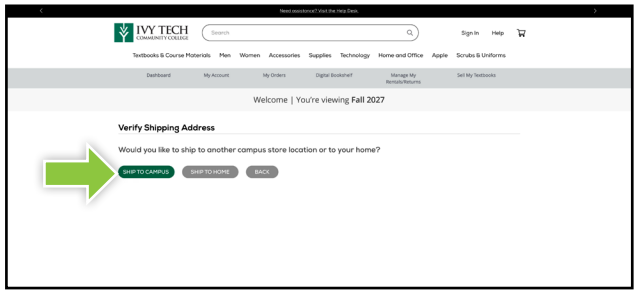

Select **Sign In via MyIvy**. You will be redirected to sign in using your Ivy Tech Community College credentials.

3

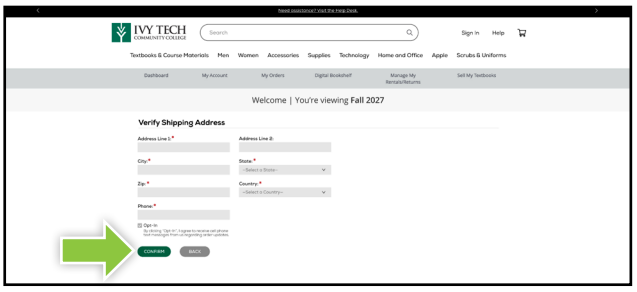

From the student dashboard, select your **term**. Select **Address Verification** in red to verify your address. If you do not see the Address Verification button, no action is required.

4

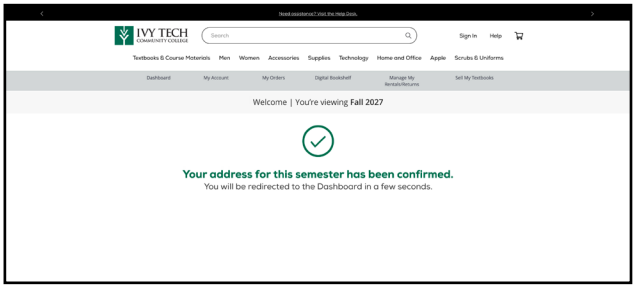

Select **Ship to Home** to have materials delivered to your home address or select **Ship to Campus** if you would like your materials shipped to a campus pickup location.

5

If you selected Ship to Home in the previous step, enter your home address.

6

After verifying your campus pickup location or home address, select **Confirm**. You will receive a confirmation screen indicating you have completed address verification.
