# How to Order Your Course Materials Through MyMiami

1

Log into myMiami. Select the **Register for Courses** widget under Student Essentials. This will take you to the **Student Services** dashboard where you will select the **Purchase Your Course Materials** link. This will open BannerWeb to **Registration Term**.
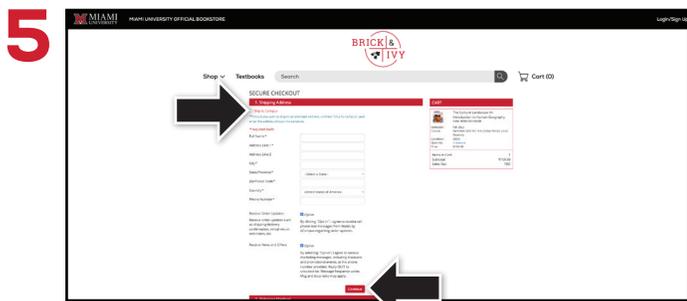

2

Once on **Registration Term**, select the term in which you will be ordering course materials from the drop-down menu and select **Submit**. This will take you to the **Student Detail Schedule**.
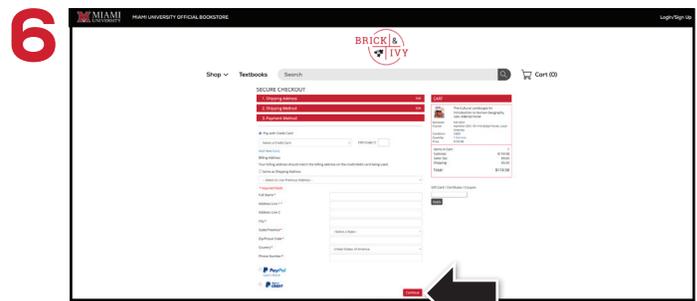

3

Scroll down to the bottom of **Student Detail Schedule** and select the **All Books** link to view your required course materials for that semester.

4

Course materials will automatically populate for classes you're enrolled in. Select your purchasing options and select **Add Items to Cart**. On the next page, review your order and select **Proceed to Checkout**.

5

Begin the checkout process by entering your shipping address, or choosing **Ship to Campus**. Select **Continue** to choose your shipping method.

6

Select your method on the payment screen: credit/debit card, MUlaa, Apple Pay, or PayPal. Select **Continue** to review. If a rental is selected, a credit card is required for collateral and will not be charged unless the book is returned damaged, or not returned. On the next page, select **Place Order** to receive your confirmation.
